

## **Company Description**

For 30 years we have been connecting professionals and delivering talent in highly regulated industries by building a global ecosystem of leading skilled contingent professionals, providing a gateway to talent in the Financial Services, Legal, Technology and Training & Development sectors.

Our purpose is simple: to build the global workforce of the future. Today. Helping our clients to maintain an agile, flexible working model while having access to skilled professionals on demand and cost effectively when they need them.

At Momenta we put people at the centre of everything we do. This promise is reflected first and foremost in our in-house team of specialists who work directly alongside our clients and associates, ensuring everyone has a true Momenta experience.

We understand that a business is only as good as its people, and we take extra care to not only select the best in industry to represent us, but also to offer the best ensuring our people are well looked after and are provided with opportunities locally and globally to grow and expand their horizons.

## **Job Description**

We are currently recruiting for an ambitious Talent Consultant to join our Recruitment team. You'll be responsible for the end to end Recruitment of our contract positions working within a dynamic and supportive team.

Momenta sources and deploy skilled, experienced contractors to leading Professional Services, Banking, and Financial Services clients. We specialise in providing people to undertake regulatory-driven compliance, review and remediation projects.
